A BETTER BAGGER

Designed for serviceability, clean ability, and ease of use, the VB is able to produce pouches in a variety of shapes and sizes including stick pack, pillow, and gusseted pouches

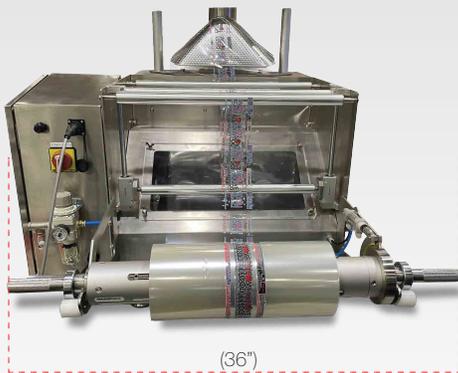

EASY CHANGE-OVER

Change-over is made easy with a tool-less removable bag forming and quick adjust pull belts.

The pneumatic film roll shaft holds the film core concentric to the shaft to reduce vibration or film wrinkling at high speeds while allowing quick film change over.
