STRAPS AND TIE DOWNS

The Platinum Packaging Group offers various options to tie or secure baskets dollies, or carts when being transported in a truck or moved within a location.

PPG 810

Tie Down Strap 5' x 1" with S-Hooks

5 ft. length x 1 in. width.

Lithest way to secure.

Inexpensive

PPG 820
Tie Down Strap 16' x 2"
with Clam-buckle.

16 ft. length x 2 in. width.

The strap can secure more weight.
The Clam buckle allows leverage
when tightening.

PPG 830

Tie Down Strap 12' x 2" with e-track hooks
on either end or a ratchet closure in the middle.

12 ft. length x 2 in. width.

The ratchet closure allows even more leverage when tightening,
very helpful when securing more weight.
