

THE PLATINUM PACKAGING GROUP

PLATMachinery Table Top Tray Sealers

SV 300 SSM

The Platinum Packaging Group offers counter top sealing solutions:

These innovative heat sealers seal and cut film in one easy motion from a single roll of film. They will seal film or board lids to microwaveable and ovenable paperboard and CPET. It also makes for a nice presentation of deli products, meat, seafood and bakery, a great fit for various departments. Not to mention this compact heat sealer allows you to conveniently store it almost anywhere when not in use.

Features & Benefits

- Provides a low-cost investment and sealing option
- Thermocouple Temp dial for ease of use and setting temperature when using other tray types paperboard, compostable, PET or CPET trays
- Perfect for cutting and sealing film lids for: hot, frozen, fresh, or refrigerated foods
- Industrial quality, stainless steel, and anodized aluminum construction
