Terms and Conditions: This proof was generated through our proprietary technology which simulates process and spot colors. The pdf and content versions of this proof should be used only to inspect layout, spelling, composition and overall color separation and are not indicative of the print quality of the actual printed product. Should we have an existing and current ICC for your particular press condition (press, stock, ink, etc.), the contract proof version of this will also be accurate for color if viewed under correct lighting conditions. Upon receiving this proof, please completely review this product and make sure there are no discrepancies. If there are any discrepancies with this proof, please inform us immediately and we will make the necessary correction(s). Trisoft Graphics, Inc. is not responsible for any press runs, press pulls, or any other costs or damages due to overlooked discrepancies, either from the printer or the end user. Our liability is limited only to the total value of this Trisoft order. By accepting delivery of this order you are agreeing to these Terms and Conditions. Thank you for the opportunity to serve you.

Before signing below, please be sure the proof is correct in all aspects. We are not responsible for errors or omissions.
